Dear Sir:

This refers to relief assignment YR04 at Hinkle. Local Operating Officers and the Local Chairman have discussed this assignment and have indicated that a change in the starting time of the assignment on Saturday and Sunday would be beneficial to both the employees and the Carrier.

The current relief starting time is 7:59 AM. A change to 7:30 AM would allow employees to be off duty earlier on the week-end and the Carrier to have less down time during the AM hours on week-ends.

I would appreciate your reviewing this proposal with Local Chairman R.J. Larsen and if agreeable, obtaining necessary signatures and returning one copy to my office. It is understood that this is a special agreement and not to be cited by either party and is without precedent or prejudice to yard rule interpretations. It may be cancelled by either party upon twenty (20) days written notice by either party.

Yours truly,~

W. S. Hinckley
Director Labor Relations
